## Solar Bulb Light with Remote Control

### HIGHLIGHT

- **SOLAR POWERED**
  6 V / 2 W solar panel
- **LIGHT CONTROL**
  On at dusk, off in daylight
- **REMOTE CONTROL**
  10 m, timer and brightness
- **1200 mAh BATTERY**
  Up to 12–15 h of light*
- **IP66 RATED**
  Water resistant

RENYI RYB571 is a solar bulb light with a separate solar panel and a remote control. The 6 V / 2 W panel charges the 1200 mAh battery in 4–6 hours of sunlight, and automatic light control switches the light on at dusk and off in daylight. Its 36 high-brightness LEDs give adjustable three-colour light over about 60 m². Hang it with the stainless-steel hook in market stalls, shops, bathrooms, doorways, balconies, or use it for camping and emergency lighting.
