RYF682

Solar Flood Light with Remote Control

HIGHLIGHT

- **SOLAR POWERED** — Panel with bracket
- **72 LEDS** — Four-core beads
- **REMOTE CONTROL** — Up to 10 m
- **TIMER + AUTO** — 3 / 5 / 8 h or light control
- **IP67 RATED** — Waterproof

RENYI RYF682 is a solar flood light with a separate solar panel and a remote control. The panel charges the lithium iron phosphate battery in daylight, and the lamp can run on light control or on a 3, 5 or 8 hour timer. 72 four-core LEDs give bright, even light, and the remote adjusts the brightness from up to 10 m away. The ABS body and tempered glass cover are rated IP67 for outdoor use at gates, yards, driveways, shop fronts and walls.
